

THE RESIDENT

LIVERPOOL

ACCESSIBILITY GUIDE

Welcome to our Accessibility Guide

Thank you for considering The Resident for your upcoming stay in Liverpool, we hope the below information is helpful and informative to you in your booking process.

If you would like any further assistance of information, please contact us at liverpool.reception@residenthotels.com and member of our team would be more than happy to assist you.

When you arrive to The Resident Liverpool, we recommend the main entrance on Seel Street, with some street parking available close to our entrance. Our entrance is fully accessible, with wide automatic doors which may be traversed by wheelchair or mobility aids.

Should you require assistance entering the building, carrying luggage or guidance to our site, a member of the team will be on hand to assist. Our Reception desk is in our front hall, with directly opposite the entrance. Hearing loops are available to aid hearing impaired guests.

Reception

- Once you have reached our reception, our welcome desk will be just inside directly opposite the entrance. There is some seating available in this space for those in need of it, nestled in a large alcove to the left of our entrance. Please note this is separated from our corridor allowing a clear and accessible route to our lifts. Our reception features accessible tile floors, which should cause no challenges to wheelchair users.
- Should you require any of your information in large print or any additional requests, please speak to a member of the team, who would be happy to assist.

Health & Safety and Peep Forms

- Upon arrival, you will likely be asked to fill in a 'PEEP' or 'Personal Emergency Evacuation Plan', in the case of fire, flood or another emergency.
- This allows our team to gauge what support you need in the event of an emergency, whether you require assistance and how we may best protect you.
- A member of our team will then guide you through how best to react in an emergency, highlight potential exit strategies and pass this on to the duty manager throughout your stay.
- This best allows us to keep you safe during your visit, in the event of an emergency.

Guest - Personal Emergency Evacuation Plan

This form should be completed by a member of the Hotel Management Team with the guest in a suitable comfortable location for the guest.

Additional Support

- If you require a wake-up call, please ask a member of our team.
- Our hand are also on-hand to assist you in finding local recommendations and support, should you require a local chemist, restaurants to suit dietary concerns etc.
- To reach our team from your room, simply call 0 on our phone system and a member of team will be in touch shortly.

Getting Around the Hotel

- Our flooring throughout the hotel varies between laminated wood and tile, all of which should be free from trip hazards and traversable for wheelchair users.
- Our automatic doors each feature wheelchair friendly buttons to guide these to open, placed at an accessible height for wheelchair users. At various points we also feature Refuge Call points for any guests in need of assistance, particularly in an emergency.
- We feature a generously sized lift, able to comfortably accommodate a wheelchair and a number of guests. The lift's buttons featured indented numbers to support poorly sighted guests when needed. If you require additional support please speak to a member of our team.

Our Bedrooms

We feature an assortment of accessible rooms featuring additional resources, aids and floor space, designed to suit a wheelchair user. The following adjustments have been made to make these rooms more accessible..

- We have included additional floor space in the bedroom and bathroom
- There are pull chords by the bed and toilet to ensure help is accessible to our guests, these will never be shortened or tied
- An additional peephole is included on the door at a suitable height for wheelchair users
- Our kitchenettes feature space for a wheelchair or chair for those with trouble standing for a long time.
- If you require additional space in your room and would like our team to remove some non-essential furniture items, please let us know.

Our Bathrooms

Our bathrooms are designed to accommodate guests with a variety of needs, including ample space for a wheelchair, sinks at various heights, mobility bars and seats where needed as well as two pull chord (by the toilet and shower), should you require assistance. There is also an additional help button here in case of emergency.

Should you require additional assistance please let us know, our team is on hand to help wherever needed.

Hearing Impaired Guests

We also offer some adjustments for hearing impaired guests, these include the following...

- We can provide a deaf guard to be taken to your room, this will vibrate, light up and flash in the event of an emergency, insuring you can leave the building safely.
- Our lifts display floor information on a digital screen, communicating which floor you are currently on.
- Our reception desk also features an induction loop for guests.

If we can assist you in any other way, please let a member of our team know, they would be more than happy to assist.

Example Deaf Guard

FOR FURTHER ASSISTANCE
